

Directions for Snowman By N.D.G

1. Go to shapes.
2. Pick circle.
3. Make the edge line thickness 7 on the slider bar (2 mm).
4. Make the edge line plain blue.
5. Make the inside of the circle turquoise.
6. Now make the circle about 2 ½ in. in height and width (at the bottom of the screen).
7. Go to shapes.
8. Pick the octagon.
9. Make it the same color as the circle.
10. Make it 2 in. in width and height and overlap it about ½ an inch over the circle.
11. Go to shapes.
12. Pick the circle.
13. Make it the same color as the octagon.
14. Make it 1 ½ in. in height and width.
15. And overlap it about ½ over the top of the octagon.
16. Go to stamps.
17. Pick the smiley face.
18. Turn it yellow/green.
19. And fit it perfectly inside the head.
20. Draw one black dot on the bottom of the octagon.
21. Make two brown lines coming off the top sides of the octagon and put more lines coming off of that like branches for the arms.
22. Go back to stamps.

23. Pick the black glasses.

24. Put the black glasses on his head over the eyes.

25. Draw a black hat on his head with a curved top and flaps covering his ears.

26. Draw a thick red scarf around his neck with two thick red lines coming out the middle.
